To whom it may concern:

If you are reading this, it means you are considering retaining Ancil Taylor as an expert or consultant. You are going down the right path.

Ancil is everything you can want in an expert: knowledgeable, experienced, responsive, cooperative, prepared and generous with his time. He also asks deep, probing and challenging questions so he fully understands the issues in the case and helps address weaknesses in the case that only an expert would see. I found his perspectives and thoughts helpful in sharpening our focus and strengthening our case.

I wholeheartedly recommend Ancil as an expert without any doubts.

Sincerely,

Craig M. Cepler
